

## Hospital Attestation to Request Multiple New Services

Submission of this attestation to the Department of Health's (Department) Division of Acute and Ambulatory Care (DAAC) will satisfy a health care facility's notice and approval requirements under 28 Pa. Code § 51.3(a) (h), and (l) relating to the provision of a new services. The Department reserves the right to conduct an onsite survey or inspection, if necessary, to determine compliance with all licensure requirements.

Submission of this attestation does not satisfy the facility's obligation to notify the Department's Division of Safety Inspections (DSI) pursuant to 28 Pa. Code § 51. (d) and (h) if provision of the new service requires any construction, alternation, or renovation of space in the facility.

The undersigned individual authorized by the health care facility's governing body attests that the facility has satisfied the following requirements for provision of a new services in a health care facility.

Please complete the fields and check the relevant boxes below to indicate completion of the requirement.

Facility Name: \_\_\_\_\_

Facility Address: \_\_\_\_\_
