

PennDOT's Agility Program

Service-for-Service Partnering

Agility enables PennDOT and its eligible partners to exchange **services, equipment** and **staff** without monetary payments. Agility helps PennDOT and its partners to make the most of limited resources, while developing **strong** and **rewarding** relationships.

How Agility Works?

By passing a resolution, executing an **Agility Agreement** and negotiating an **Agility Work Plan**, an eligible partner can exchange services with PennDOT over a 5-year period.

Examples of Exchanges

- Partner receives painted road lines in exchange for mowing
- Partner receives inlet cleaning in exchange for street sweeping
- Partner receives seal coating of local roads in exchange for winter services
- Partner receives paving of local roads in exchange for litter pick up and meeting facilities
