

CURVE SIGN PROJECT

DISTRICT 12-0

PROJECT INTRODUCTION

- The purpose of this presentation:
 - Introduce the project
 - Gather feedback
- The project purpose and need:
 - This project is meant to improve safety along various roadways in District 12-0. This will be accomplished by installing chevron curve warning signs and by performing minor tree trimming. If vehicular traffic has more notice of upcoming curves, they will have more time to react. This will decrease the chance of a crash.
- Project location maps can be found on the project website.

PROJECT IMPROVEMENTS

Install chevron curve signs

Perform minor tree trimming

PROJECT SCHEDULE

- Final Design: Winter 2024-2025
- Construction: Spring 2025-Fall 2025
