Section C

List the vehicle information where appropriate. Up to two vehicles may be listed in this section. If the vehicle is a wrecker, please check the box contained in this section. The registration plate must be submitted with the application to receive credit for the apportioned registration plate.

For tractor, list the number of axles on the tractor and the total number of axles for the tractor and trailer. Example: 3/5 means 3 axles for the tractor and 5 combined including the trailer. If the vehicle is a bus, list seating capacity. Do not leave any information blank.

Utah Truck Indicator (UT Spec Truck): If the truck type entering the state of Utah is a cement pump, well boring unit, or crane, the Utah Special Truck block should be checked as "Yes." If this does not apply, check "No."
