## Agility Program

Agility is a tool to build relationships with local communities by sharing and exchanging services and resources.

### **Possible opportunities are available**

County Contact: Aaron Emhoff: 814-939-6300

District Contact: John Copeland: 814-352-3871

**2024 SPRING OUTREACH**

**TINA GIBBS**

**COMMUNITY RESOURCES COORDINATOR**

# DISTRICT 10 WEB RESOURCES

**Doing Business with PennDOT Resource Guide**

**Subscribe to District 10 news**

**Coming soon –**

**Spring Outreach Meeting presentations and maps**

They will be posted under Outreach by county within a week following the meeting.

The screenshot shows the PennDOT District 10 website. At the top, there is a breadcrumb trail: "DOT > Regional Offices > District 10". The main heading is "District 10". Below this, it lists the counties: "Counties: Armstrong | Butler | Clarion | Indiana | Jefferson". A map of the region is shown to the right. The text describes PennDOT's Engineering District 10 and its responsibilities. A "District Links" sidebar on the right contains various links such as "Construction", "Projects/Roadwork", "Public Meetings/Studies", "Maintenance and Traffic", "Bulletins", "Permits", "Right of Way", "Submit Roadway Concern", and "ISO 9001:2015 Certified Project Delivery". The "Press Releases" section features two articles: "PennDOT Announces Virtual Plans Display for Wayne Richard Weaver Bridge Preservation in Clarion Borough and Highland Township, Clarion County" (dated 02/14/2023) and "U.S. 422 Closure in Kittanning Township, Armstrong County" (dated 02/10/2023). A "Doing Business with PennDOT District 10.pdf" link is highlighted with a yellow circle. A "Subscribe to District 10 News" form is highlighted with a green circle, including an email input field and a "Subscribe" button. Other sidebar buttons include "Accomplishments", "Paint the Plow", and "FAQs".
