Request for Qualifications
Solicitation Number: RFQ Solicitation #: 5321R01
Opening Date / Time: August 12, 2021 11:00 AM ET
RFQ Questions Response Document #: 4

To All Respondents:

PennDOT received various questions regarding the Lead Construction Contractor Pre-Qualification Requirements. To address any remaining questions or concerns, PennDOT plans to provide additional materials and training for Shortlisted Proposers regarding the steps needed for Pre-Qualification.

PennDOT has also received various questions regarding the use of affiliate experience in the Forms. While no additional changes to the RFQ will be made on this point, the current language in Forms G-2 and G-3 does permit the inclusion of Nominated Subcontractor experience. Respondents may use this option in cases where affiliates may be included as Nominated Subcontractors.

PennDOT responses will not be considered part of the RFQ or the RFP documents nor will they be relevant in interpreting any of the foregoing.

As a reminder, the SOQ Due Date was changed in the RFQ Addendum to August 12, 2021 at 11 AM ET.
